HOW CAN I CHECK MY POINTS BALANCE?

You can check your Star Rewards Points and Tier Credits balances at any time by:

- Swiping your membership card at the Star Rewards kiosk
- Inserting your membership card into a gaming machine
- Asking our friendly team members

WHAT REWARDS LEVEL AM I IN?

Your level is determined by the amount of Tier Credits you have earned in the last six months. As you use your card for gaming play or purchases around the club, you'll progress towards the next rewards level.

All members begin at the base level, Hercules. You can check your level at any time via the Star Rewards kiosk.

HOW DO I MOVE UP A LEVEL?

Once you reach the required Tier Credits, you will automatically move up to the next level. You can then start enjoying new rewards of that level straight away!

CAN I MOVE DOWN A LEVEL?

Once you reach a new rewards level, you are then guaranteed to remain in that level until the next review date. Reviews are conducted on the 1st February, 1st May, 1st August and 1st November, based on your Tier Credits balance.

HOW LONG DO MY STAR REWARDS POINTS LAST FOR?

Star Rewards Points are valid until 30th June each year. Any points not redeemed by this date will expire.

Tier Credits are valid for six months from the date you earn them. Tier Credits older than six months will expire on the 1st of each month.

WILL THE PROGRAM BENEFITS CHANGE?

Yes, the program is regularly reviewed and all benefits are subject to change.
